Experience

Senior Research Assistant

Faculty of Business and Economics, University of Winnipeg

Research Topic: Chinese Immigrant Heights and Living Standards,(1880-1929)

(May 2026- Present)

- Conduct research examining the heights of Chinese immigrants to Canada during the periods before, during, and after the implementation of the Chinese Head Tax, using height as a historical indicator of living standards and economic conditions.
- Collect, clean, organize, and analyze historical quantitative data on Chinese immigrants, including height, age, sex, and birth-year information.
- Group and compare height data across birth cohorts and age groups to identify changes in physical stature and potential patterns in living standards over time.
- Use Excel and other data-management tools to organize large historical datasets and prepare data for statistical analysis and visualization.

Research Assistant

Technology and Policing in Society, Criminal Justice department,, University of Winnipeg

(April 2025- Present)

- Conduct academic research under the supervision of a professor, contributing to the development and execution of research projects.
- Perform qualitative and quantitative data analysis.
- Draft, edit, and format reports, presentations, and scholarly articles for publication
- Support the research team with administrative tasks including data entry, word processing, and maintaining records.

Student Ambassador

The University of Winnipeg (August 2024- Present)

- Represent the university at events and initiatives, engaging prospective students and community members.
- Provide campus tours and deliver presentations, showcasing academic programs and facilities.
- Perform data entry tasks to support recruitment and administrative activities.
- Collaborate with the recruitment team to support outreach activities.

Research Assistant (work-study position)

Centre for Access to Information and Justice CAIJ Assistant Justice, University of Winnipeg

(December 2025- April 2026)

- Conducted legal and policy research on access to information, transparency, and justice-related issues.
- Supported the preparation of research briefs, reports, and background papers for academic audiences.
- Compiled and organised qualitative and quantitative data related to governance and accountability.
- Contributed to literature reviews and synthesized complex academic materials into accessible summaries.

Research Assistant (work-study position)

Journal of Prisoners on Prisons (JPP), Criminal Justice Department,, University of Winnipeg
(December 2024- June 2025)

- Assisted in journal production and the peer-review process.
- Managed book reviews and editorial tasks.
- Supported administrative and research-related tasks for the publication.
- Contributed to the co-authorship of research outputs and identified opportunities for publication.
